

# It's All Here!

Text och musik: Håkan Mårtensson 1980-talet

Am F  
Well some people call it nonsense -  
C G  
and some call it sense

Am G  
But whatever they say, whatever they see,  
F C G  
it's all there

C Am F  
No matter what you hear -  
C Am G  
no matter what you think

F Am G  
It's all there my old friend -  
F Am C  
It's all there my old friend

---

Am F  
(Yes) some people call it Christ -  
C G

(and) some even call it Buddha

Am G  
But whatever they feel, whatever they tell,  
F C G  
it's all there

C Am F  
No matter what we're going through -  
C Am G  
no matter if it's me or you

F Am G  
It's all there my old friend -  
F Am C  
It's all there my old friend

---

Am F  
And some people call it body -  
C G

or even spirit heart or mind

Am G  
But whatever they smell, whatever they taste,  
F C G  
it's all there

C Am F  
No matter where you are -  
C Am G  
wherever you may go

F Am G  
You've always been there my old friend  
(en takt extra)

F Am C  
you've always been there my old friend
